

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT : Arthur Brereton
DOCKET NO.: 03-21237.001-R-1
PARCEL NO.: 05-34-411-004-0000

The parties of record before the Property Tax Appeal Board are Arthur Brereton, the appellant, by attorney Edward Larkin, Park Ridge, and the Cook County Board of Review.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 02-23259.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property based on the evidence submitted by the parties.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review."

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds that the prior year's decision should be carried forward to the subsequent year subject only to any equalization factor applied to that year's assessments. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185). The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's

LAND: \$ 15,680
IMPRV.: \$ 35,000
TOTAL: \$ 50,680

decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding plus the application of any factor applied for equalization.
